

## **Disciples Song**

**“He grew in wisdom and stature, in favor with God and man.”  
Luke 2:52, King James Version**

**In the drinking of the weekly\* cup, in the eating of the bread,  
may we find comfort and may we find power,  
comfort in loving and power to forgive,  
“growing in wisdom and stature, in favor with God and man.”**

**In the bathing of the waters, in reading of the Word,  
may we find comfort and may we find power,  
comfort in loving and power to forgive,  
“growing in wisdom and stature, in favor with God and man.”**

**We sing of our sons and our daughters, daughters and sons beyond.  
May they find comfort and may they find power,  
comfort in loving and power to forgive,  
“growing in wisdom and stature, in favor with God and man.”**
